**NARRATIVE:**

Monroy has an adult criminal history that began at the age of 18 years old and includes convictions for corporal injury on spouse / co-habitant, multiple carry loaded firearm, multiple driving with a suspended license, dangerous weapons, multiple unlicensed driver, possession of controlled substance and multiple damage jail / prison. He recently served a 24-month state prison term for corporal injury on spouse / co-habitant and was released from state prison to the supervision of the Los Angeles County Probation Department on June 07, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2012 after Monroy absconded from post release community supervision (PRCS). Monroy qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for corporal injury on spouse / co-habitant is defined as non-serious and non-violent under the California penal code. Monroy is a member of the "Marijuana Locos 13 Gang" with a moniker of "Travieso / Trouble". His prior criminal history, gang membership and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
